That day and time will work, Tom.

Since I don't know how many people will show up, please get a conf room in ORC. Also, please have a speakerphone for Mike and, perhaps, Pete Sorensen of IL EPA. We can phone them.

Thanks.

Ron, Mike: How about Wednesday, January 23, at 9:30 am. (Ron: Depending on how many people are expected, we could call Mike from my office (Rm. 1463) in ORC. I can accomodate 2-3 other people). Would that be okay? (Or, equally, we could go for a conference room if this is a large-scale kick-off meeting). Just a suggestion. Thanks. Tom Turner LAN or 6-6613

Ron, I will be in East St. Louis next week. Maybe we should set up a conf. call.

Mike, unfortunately, I'm out Friday.

How about Tuesday-Friday, preferably earlier in the week?

Tom, I understand from Jan Laughlin that you are now the assigned attorney for OAZ. Here are some contacts:

RPM: Ron Murawski (6-2940)
OSC: Mike Harris (6-0760)
CIC: Janet Pope (3-0628)
Enforcement Specialist (Removal): Bill Ryczek (6-7184)
Enforcement Specialist (Remedial): Carl Cuffman (3-3191)
IL EPA Site Coordinator: Pete Sorensen (217-524-1657)
Toxicologist: Pat Van Leeuwen (6-4904)
Ecologist: Jim Chapman (6-7195)

On July 21, 2000, SFD issued an Action Memo for a Time-Critical Removal. We still don't have a signed Removal AOC with the PRPs (Blue Tee and XTRA Intermodal).

Mike Harris and I would like to meet with you to help bring you up to speed and to discuss strategy. Please let me know among tomorrow and next week what times you're available.
Thanks.

(P.S.: To the cc's: You're welcome to participate.)
